**1.Trump Colluded with GOP, Russian Mob & Putin to deliver the privatization of US Healthcare to Mikhail Friedman of AlfaBank.**

**2.October 31st a Secret Server in Trump Tower was communicating with AlfaBank. But that wasn't the only company they communicated with.**

**3.Around the same time Mikhail Fridman owner of Alfa Bank and strongly tied to Russian Mob, formed LetterOne.**

**3a)LetterOne raised 3 Billion dollars to invest in the privatization of The United States Healthcare system.**

## Russian Oil Billionaires' Next Big Investment - American Health Care

Mikhail Fridman cashed out of his Russian oil venture near the top of the market and moved to London to build an empire in calmer climes. Then Brexit struck, reinfor... bloomberg.com

“With Britain’s decision to leave the European Union and sanctions over Ukraine muddying the investment waters from Moscow to Glasgow, Fridman and his three fellow Alfa Group billionaires are looking across the Atlantic and see a clear stream of profit in ever-higher spending on health care. With two Washington insiders in tow to help navigate the terrain, the Russians are preparing to invest as much as \$3 billion in the industry over three years, starting in the U.S., where it accounts for almost a fifth of the economy.”

4. The other part of the puzzle is that the Secret Server was also communicating with **Spectrum Health in Michigan.**

**5. Who owns Spectrum Health? The Devos Family, Betsy Devos is nominated to Trump’s Cabinet. Spectrum Health is also operational in Russia.**
